Welcome greetings

*Universidad EAFIT* opens its doors to graduate applicants and hopes to have the honor to have them as students.

Keeping our principles and following our mission statement, the University contributes to the social, economic, scientific and cultural growth of the country. This is achieved by maintaining permanent interaction with corporate, governmental and academic sectors through the development of graduate and undergraduate programs, as well as the construction of applied and scientific investigation. All these processes take place in an environment of ideological pluralism and academic excellence to train people to be globally competent.

In our role as an educational institution, we make a great effort to achieve the participation of our graduate students in an academic process that goes deeper into professional education, and goes beyond knowledge, in order to contribute to their personal education as well as make an impact on society.

From the very moment that you decide to join *Universidad EAFIT*, you will be able to co-exist in an environment that allows you to theorize and make knowledge a practical matter.

We wish you success on the path that you decide to undertake. We will be waiting for you to be part of the EAFIT community with enthusiasm.

Sincerely,

*Juan Luis Mejía Arango*
Principal

1. APPLICATIONS

i. Application process

It is possible for all professionals that have finished his/her studies at a bachelor degree level, at a nationally or internationally recognized university (recognized by competent educational authorities), to apply for admission to one of the graduate programs. Please note that application process at the University is not open to technical, technology or specialized technology graduates.

Applicants that have been enrolled, at any graduate level program at a university different than EAFIT and who are interested in completing his/her studies at Universidad EAFIT, must select Transferencia externa (external transfer) as tipo de aspirante (applicant type). If on the other hand, it is the first time that you are going to study a graduate level program, and you are not an EAFIT graduate, you must select Estudios por Primera Vez (first time applicants). Otherwise, please send an email to admisiones.registro@eafit.edu.co in order to request authorization; include your full name, ID type and number, the program that you studied and the one that you want to study, as well as the city.

In order to apply, please visit www.eafit.edu.co, click on Inscripciones, Formulario de inscripción, then fill out the application form. Check the guide published on the first page of the Inscripciones for translations and instructions about how to fill out the form. Fill out the form entirely.

Application fees can be paid online by using a credit card or a debit account from a bank registered in PSE. Please contact your bank for more information before making the payment.

In order to pay for application fees, visit www.eafit.edu.co and click on Inscripciones. Fill out the online application form, if you have not done it. After completing the form, the options for payment of the application fee will be available to you.
After making the payment, a message of success will be displayed confirming the transaction. Do not close the window. Please note that the information will not reach our database if the *regresar* option (the return page option) is not selected.

If you are unable to pay online, click on *Generar documento de pago* to obtain a printable version of the payment details. Please print the document on a laser printer and pay at one of the banks mentioned on the payment document.

For problems related to the printable document, contact, in EAFIT Medellín, *Admisiones y Registro* located in the Library (rear entrance), building 32, on the first floor, or send an email to: *admisiones.registro@eafit.edu.co.* If the problem is related to payment, please contact the Accounts Receivable Office located in the Library, building 32, on the first floor at EAFIT Medellín; In Bogotá and Pereira, please visit the graduate programs office (oficina de posgrados); or the Secretary’s office in EAFIT Llanogrande. You can also send an email to: *cartera@eafit.edu.co.*

The application fee can be paid from abroad through an international bank transfer. For more information about our bank account details, please contact the Treasury department by email at: *tesoreria@eafit.edu.co*

After paying for the application fee online, the system will generate your appointment for the exam or interview, in case it is a requirement for the graduate program that you applied for. If you generated the payment document and paid at one of the specified banks, the system will generate an appointment for the exam or interview once payment has been confirmed. The information about your appointment will be sent to you at the email address you provided at the moment of application.
2. ADMISSION DOCUMENTS

Once you have applied and according to the type of your application (for first time applicant, external transfer, or EAFIT University graduate), please submit the documents mentioned on the tables below to the following offices: Admisiones y Registro, in Medellín; to the graduate programs office (oficina de posgrados), in Bogotá and Pereira; or the Secretary’s office, in EAFIT Llanogrande.
