

The Global Enabling Trade Report 2009

Global Enabling Trade Report 2009

Analyzing Colombia's performance

 Margareta Drzeniek Hanouz, Senior Economist World Economic Forum

International Business Speaker Series International Business Department EAFIT Geneva-Medellin | 23 July, 2009

Global Competitiveness Network

COMMITTED TO MPROVING THE STATE OF THE WORLD

- Since 1979:
- Study of National Competitiveness
- Developing benchmarking tools (indexes) for global, regional and industry specific analysis
- Flagship Report: Global Competitiveness Report
- Regional and speical topics reports:
 - Gender Gap Report
 - Travel and Tourism Competitiveness Report
 - Global Information Technology Report
 - Mexico and Brazil Competitiveness Reports

The Global Enabling Trade Report Background

COMMITTED TO IMPROVING THE STATE OF THE WORLD

- Aim: Raise awareness of the significance of international trade flows for economic development and the importance of reducing barriers to global trade, in particular those related to transport.
- Developed and launched in 2008 by the World Economic Forum, initiated by the Forum's Industry Partners in Logistics and Transportation.
- Partners: The Forum's Industry Partners and International Organizations active in the area of international trade.
- **2009:** covering **121 countries**, over 95% of global GDP

Global Enabling Trade Report 2009 How are the results being used?

COMMITTED TO IMPROVING THE STATE OF THE WORLD

 Enabling public-private dialogue: The results of our reports provide an objective base for public-private dialogue on how to enable trade in countries.

 Prioritizing reform: Identifying strengths and weaknesses in each country's trade environment.

Monitoring: Help policy makers and business to monitor progress over time.

The Enabling Trade Index

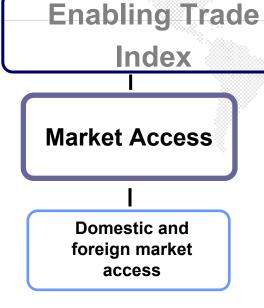

... measures the institutions, policies and services that enable the trade in goods across borders and to destination

Gióbal Enabling Trade Report 2009 Geneva – Medellin | 23 July 2009

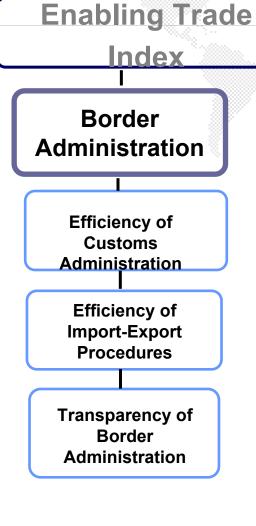

COMMITTED TO MPROVING THE STATE OF THE WORLD

- Trade weighted average tariff rate
- Non-tariff barriers
- Share of duty-free imports
- Complexity of the tariff regime
- Tariffs faced

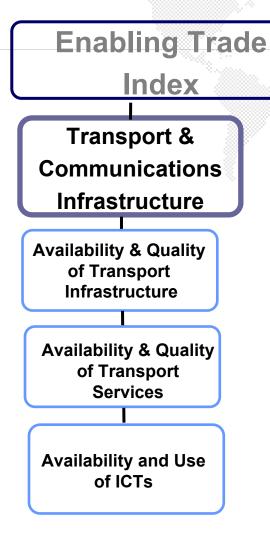

COMMITTED TO MPROVING THE STATE OF THE WORLD

- Burden of customs procedures
- Quality of customs services
- Number of days and documents to import
- Cost to import
- Irregular payments in exports and imports

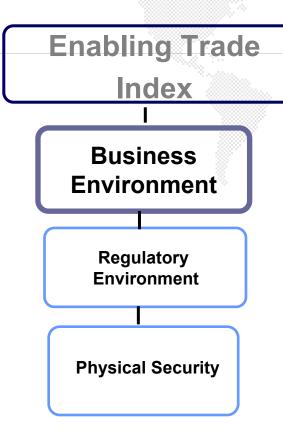

COMMITTED TO IMPROVING THE STATE OF THE WORLD

- Airport density
- Road congestion
- Transport infrastructure quality (air, rail, roads, ports)
- Ease and affordability of shipment
